ALVARADO AVENUE PARKING RESTRICTIONS NOVEMBER 15, NOVEMBER 18-20, AND NOVEMBER 25-26

This letter serves to inform you about upcoming construction activities for the Sheila Tank Replacement Project, which will temporarily affect parking on Alvarado Avenue. The construction will involve hydro blasting and shotcrete (applied concrete), requiring parking restrictions. As a result, no vehicles may be parked in the Alvarado Avenue roundabout on these dates; instead, please park below 1260 Alvarado Avenue.

The District's contractor, Anderson Pacific Construction Engineering, Inc., is scheduled to begin work requiring parking restrictions on Alvarado Avenue on **Friday, November 15th at 7:30 a.m.** The work is expected to last approximately four business days. Parking restrictions will resume the following **Monday, November 25th, at 7:30 a.m. for an additional two days.**

Access to residential properties will be maintained at all times. Work has been limited to the hours of 7:30 AM to 5:30 PM Monday through Friday.

Should you have any questions specifically related to project work, please contact Ryan Mullen, Sr. Project Manager with Anderson Pacific Construction Engineering, Inc. at (408) 316-2099 or Gavin Lee, Construction Manager with Brown and Caldwell at (207) 357-6676.

General questions can also be directed to Adrienne Carr, General Manager at acarr@nccwd.com at (650) 355-3462 or Scott Dalton, Assistant General Manager at sdalton@nccwd.com at (650) 355-3462.

Thank you in advance for your understanding and patience during this important water system improvement.
