

Lawn Be Gone! Rebate Program *for* Home Owners Associations (HOAs) in Pacifica 2023-2024

Get Paid to Transform Your
Landscaping!

\$4 per square foot converted*

Rebates up to \$25,000 per
association, per year

Program Description:

The **Lawn Be Gone! Program** provides rebates to approved customers, including HOAs that convert water-thirsty lawns to water-efficient landscapes. To be eligible for this program, applicants must be customers of the North Coast County Water District and follow

the terms and conditions set forth in the BAWSCA Terms and Conditions.

In addition to the BAWSCA Terms and Conditions and Applicant Checklist, Home Owners Associations (HOAs) interested in converting large landscapes must also:

- Receive bids for project from (3) different landscape professionals (unless using in-house landscaper)
- Submit timeline and phases of conversion with application (should project extend past 3 months)
- Receipts for all eligible conversion costs must be provided by customer once the conversion is complete. All landscape invoices must be itemized.

**Rebate not to exceed 50% of cost of conversion. Customer must attach all receipts associated with conversion project.*
