

High-Efficiency Toilet Rebate Application Residential Customers

The North Coast County Water District is offering a rebate of up to \$50 for the replacement of toilet(s) using 3.5 gallons per flush (gpf) or more, with qualifying high efficiency toilets that use 1.28 gpf or less. Single family homes are limited to two (2) rebates per home. *Please note: Properties built after 1994 are not eligible to participate, as federal requirements mandate any toilet purchased or installed in or after 1994 to have a maximum flush volume of 1.6 gallon per flush. New construction does not qualify.*

Account Information

Name on Water Account: _____

If name is not on water bill, provide name of whom rebate should be paid: _____

Year Home was Built (Approximate): _____ Year Home was Purchased: _____

Terms and Conditions

- The North Coast County Water District reserves the right to inspect the installation of high-efficiency toilets.
- Installation and receipt of purchase must be dated within 90 days of application.
- Toilets installed in new construction are not eligible for a rebate since high-efficiency toilets are required by state law.
- Customers must agree not to reinstall or reuse parts from old toilet.
- Rebates are offered on a first-come, first-served basis, and are subject to availability of funds.
- District will reimburse up to \$25 for recycling the toilet at Pacifica Recycling Yard. Applicant must attach proof of recycling to be eligible for reimbursement.

I HAVE READ, UNDERSTAND, AND AGREE TO THE REBATE TERMS AND CONDITIONS OF THE NCCWD HIGH-EFFICIENCY TOILET REBATE PROGRAM.
